

Biom Probiotics Wholesaler Policy

Eligibility and Application

- All prospective wholesalers must complete the Biom Pharmaceutical New Customer Form as indicated on the wholesale deals page.
- Approval is subject to review and verification by Biom Probiotics.

Wholesale Pricing and Orders

- Wholesale pricing is available only to approved wholesale partners
- Minimum order quantities and specific pricing details will be provided upon approval.

Sales Channel Restrictions

- Wholesalers may not sell Biom Probiotics products on Amazon.
- Wholesalers may sell products through brick-and-mortar retail locations, their own company websites, and direct-to-customer channels.

Brand Representation

- Wholesalers must represent Biom Probiotics products accurately and in accordance with all brand guidelines provided by Biom Probiotics.
- Use of Biom Probiotics trademarks, images, and marketing materials must be approved in writing.

Account Compliance

- Any violation of these policies, including sales on Amazon, may result in the termination of wholesale privileges.

Policy Updates

- Biom Probiotics reserves the right to update or amend this policy at any time. Wholesalers will be notified of any significant changes.
